March 2010 Newsletter

March Madness is in the air, and spring is just around the corner. The time is now to start planning your spring fundraiser. Let simplecandlefun.com help you put on a successful fundraiser to meet your financial needs.

In February, we attended the Toledo Public Schools Parent Congress Fundraising Expo. We meet many parents, teachers and PTO members. We hope to establish a long lasting relationship with all that attended. If you missed the expo, you missed a chance to meet us in person, review our literature, and sample our candles, dip mixes and desserts. Hopefully we'll see you at the next expo.

As always we provided you group with the best possible fundraiser available. There is no cost to you; there are no minimums to meet. We service any size group or school in any location. Our product is simple to sell, with free shipping and a generous free prize program to motivate your sellers. Feel free to contact us for more information or to book your next fundraiser.

Special for March, we are offering a free item out of the Celebrating Home Spring Catalog for completion of your fundraiser by March 31st. Please contact for more details. Offer is limited to specific items.
